COMPUTER TEAM, INC.

Better email. Lower price.

Microsoft 365 is popular, but many users don't know what they give up by choosing it. Here's what you get when your email stays with a local team.

COMPUTER TEAM, INC.

$6/mo

All-inclusive package, paid annually

EXCHANGE ONLINE PLAN 2

$8/mo

Base price, paid annually — extras cost more

Automatic archiving

Every email archived the moment it's sent or received — deduplicated and compressed up to 70%. Nothing lost while you wait on rules.

Three layers of backup

Daily on-site backups, copies on our off-site servers, plus an air-gapped set Monday–Friday. Included.

Real people, right here

US-based support from the same folks every time. Issues resolved in about 30 minutes on average.

Security Gateway

Dual antivirus, phishing and QR-code scam detection, plus built-in encryption and data leak protection.
